Safe

Making sure we agree about plans.

Respecting my "NO"

Saying "I understand"

Texting me in class

Making me
Pray

Not Safe

Using drugs

Making me
Pray/not letting me

Calling me names
Forcing me to have sex

Telling me it will all be ok.

Making plans last-minute

Asking before touching

Asking what I need

High-fives
Hand shakes
Spending time apart

Sitting right next to me

Using a nickname

Telling me what I can wear.

Borrowing my things without asking

Maybe safe

Hugging me
