

PREVAIL
Hero of the Month!

August 2020 Todd Thurston!

This month Prevail would like to recognize a true gem in our community, Mr. Todd Thurston.

Todd is an unbelievable force of nature and a true champion for many of our community organizations. It's hard to imagine when Todd has any downtime. We're convinced that his personal motto is "Absolutely, yes."

For Prevail, he serves on our Celebration of Hope planning committee AND with our 100 Men Campaign. He has been attending our Gala since 2007, when it was called "Red, White, and Blues" (who remembers that?). He has also participated for many years in our City vs County Bowling Event and is one of our biggest voices in the community.

He has dressed in the Hare bunny costume, sold Golden Tickets, spoken in videos, and given us a piece of his heart. It has been an extreme honor to have someone like Todd in our corner and working to not only help our community know about Prevail's services, but also work so hard with our Prevention efforts to make sure violence doesn't happen in his community to begin with.

Thank you Todd, you have given your voice to the voiceless and truly made your community a better place. We are humbled by the amount of passion you display for everyone around you.

You are a HERO to so many this month and beyond!

Thank you Todd! You are our hero!
